Summary

Engineering leader with 18 years across telecom, mobility and e-commerce. Engineering leader with 18 years across telecom, mobility and e-commerce. Engineering leader with 18 years across telecom, mobility and e-commerce. Engineering leader with 18 years across telecom, mobility and e-commerce.

Experience

Engineering Director — Airtel Digital | Apr 2022 – Present

- Drove architecture reviews across squads and set coding standards
- Mentored engineers and ran hiring loops
- Partnered with product on quarterly roadmap
- Improved reliability to 99.95% uptime through SLOs and on-call reforms

Tech: Java, Go, Kafka, AWS, Kubernetes

Principal Architect — Ola | Jan 2019 – Mar 2022

- Drove architecture reviews across squads and set coding standards
- Mentored engineers and ran hiring loops
- Partnered with product on quarterly roadmap
- Improved reliability to 99.95% uptime through SLOs and on-call reforms

Tech: Java, Go, Kafka, AWS, Kubernetes

Tech Lead — Flipkart | Jul 2015 – Dec 2018

- Drove architecture reviews across squads and set coding standards
- Mentored engineers and ran hiring loops
- Partnered with product on quarterly roadmap
- Improved reliability to 99.95% uptime through SLOs and on-call reforms

Tech: Java, Go, Kafka, AWS, Kubernetes

Senior Developer — Amazon Development Centre | Mar 2012 – Jun 2015

- Drove architecture reviews across squads and set coding standards
- Mentored engineers and ran hiring loops
- Partnered with product on quarterly roadmap
- Improved reliability to 99.95% uptime through SLOs and on-call reforms

Tech: Java, Oracle, Spring

Developer — Oracle India | Aug 2010 – Feb 2012

- Drove architecture reviews across squads and set coding standards
- Mentored engineers and ran hiring loops
- Partnered with product on quarterly roadmap
- Improved reliability to 99.95% uptime through SLOs and on-call reforms

Tech: Java, Oracle, Spring

Software Engineer — Accenture | Jul 2008 – Jul 2010

- Drove architecture reviews across squads and set coding standards
- Mentored engineers and ran hiring loops
- Partnered with product on quarterly roadmap
- Improved reliability to 99.95% uptime through SLOs and on-call reforms

Tech: Java, Oracle, Spring

Trainee — NIIT Technologies | Jan 2008 – Jun 2008

- Drove architecture reviews across squads and set coding standards
- Mentored engineers and ran hiring loops
- Partnered with product on quarterly roadmap
- Improved reliability to 99.95% uptime through SLOs and on-call reforms

Tech: Java, Oracle, Spring

Key Projects

Airtel Thanks App Platform – Large scale distributed system with measurable business impact. Large scale distributed system with measurable business impact. Large scale distributed system with measurable business impact.

Ola Dynamic Pricing Engine – Large scale distributed system with measurable business impact. Large scale distributed system with measurable business impact. Large scale distributed system with measurable business impact.

Flipkart Big Billion Days Scale-out – Large scale distributed system with measurable business impact. Large scale distributed system with measurable business impact. Large scale distributed system with measurable business impact.

Amazon Seller Central Reports – Large scale distributed system with measurable business impact. Large scale distributed system with measurable business impact. Large scale distributed system with measurable business impact.

Oracle Fusion HCM Connectors – Large scale distributed system with measurable business impact. Large scale distributed system with measurable business impact. Large scale distributed system with measurable business impact.

Accenture Retail POS Modernisation – Large scale distributed system with measurable business impact. Large scale distributed system with measurable business impact. Large scale distributed system with measurable business impact.

Certifications

AWS Certified Solutions Architect – Professional, Amazon Web Services, 2020
Certified Kubernetes Administrator (CKA), CNCF, 2021
TOGAF 9 Certified, The Open Group, 2019
PMP, Project Management Institute, 2017

Education

M.Tech Computer Science, IIT Delhi, 2007
B.Tech Computer Science, NIT Tiruchirappalli, 2005

Skills

Java, Go, Python, Kafka, Cassandra, MySQL, AWS, GCP, Kubernetes, Terraform, System Design
